**DETAILED ACTION**

**Notice to Applicant**

1. This communication is in response to the Amendment filed 09/28/07. Claims 2, 7-17, 19-20 and 22 have been cancelled. Claim 21 is amended. Claims 1, 3-6, 18, and 21 are pending.

***Claim Rejections - 35 USC § 103***

2. The following is a quotation of 35 U.S.C. 103(a) which forms the basis for all obviousness rejections set forth in this Office action:

(a) A patent may not be obtained though the invention is not identically disclosed or described as set forth in section 102 of this title, if the differences between the subject matter sought to be patented and the prior art are such that the subject matter as a whole would have been obvious at the time the invention was made to a person having ordinary skill in the art to which said subject matter pertains. Patentability shall not be negated by the manner in which the invention was made.

3. Claims 1, 3-6, 18 and 21 are rejected under 35 U.S.C. 103(a) as being unpatentable over Luchs et (4,831,526) in view of Bosco (5,191,522) and further in view of Sforzo (7,194,435), for substantially the same reasons given in the prior Office Action, and incorporated herein. Further reasons are presented hereinbelow.

(A) Claim 21 has been amended to change the word "insurance instrument to "fidelity or surety bond". However, this feature has been clearly taught by Sforzo in Fig.2, Fig.16; Col.7, lines 55-67 to Col.8, line 14).

(B) Claims 1, 3-6, 18, and 22 have not been amended, are therefore rejected for the same reasons given in the previous Office Action, and incorporated herein.

***Response to Arguments***

4. Applicant's arguments filed on 9/25/07 with respect to claims 1, 3-6, 18 and 21 have been fully considered but they are not persuasive.

(A) At page 5 of the response filed on 9/25/07, Applicant has amended claim 21 to recite "fidelity or surety bond".

(B) In response to this amendment, Examiner respectfully submitted that Sforzo has been clearly disclosed this limitation in Fig.2, Fig.16; Col.7, lines 55-67 to Col.8, line 14). Therefore, Applicant's argument is not persuasive and the rejection is hereby sustained.

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
